Basic data

Family name *

First name *

Field *

- ○ Economics and management
- ○ Administration / management in business
- ○ Administration / management in NGOs
- ○ Administration / management in culture
- ○ Administration / management in education
- ○ Administration / management in healthcare
- ○ Public administration: local/government
- ○ Law (including human rights and migration issues)
- ○ Social sciences (social psychology, sociology)
- ○ Political sciences
- ○ journalism
- ○ international relations
- ○ Environmental and climate protection
- ○ Security / cybersecurity
- ○ Crisis management
- ○ Development assistance and humanitarian aid policies
- ○ Fields related to the reconstruction of war-damaged areas, e.g. urban planning, civil engineering, forensics

Nationality *

- ○ Armenia
- ○ Azerbaijan
- ○ Belarus
- ○ Georgia
- ○ Kazakhstan
- ○ Kyrgyzstan
- ○ Moldova
- ○ Tajikistan
- ○ Ukraine
- ○ Uzbekistan

Date of birth *

DD/MM/YYYY

Place of birth *
city, country

Gender *

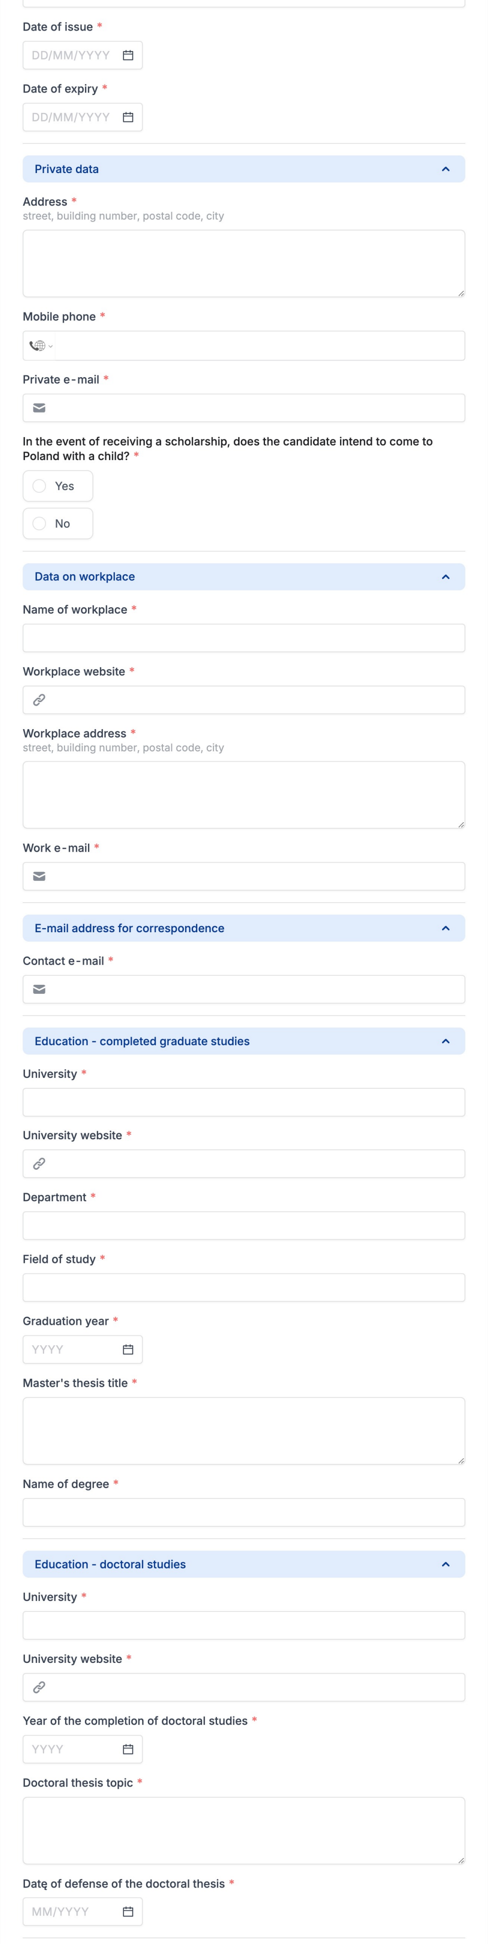
- ○ Female
- ○ Małe

Does the candidate currently live in Poland? *

- ○ Yes
- ○ No

Passport data

Passport series and number *



Date of issue *

DD/MM/YYYY

Date of expiry *

DD/MM/YYYY

Private data

Address *
street, building number, postal code, city

Mobile phone *

Private e-mail *

In the event of receiving a scholarship, does the candidate intend to come to Poland with a child? *

○ Yes

○ No

Data on workplace

Name of workplace *

Workplace website *

Workplace address *
street, building number, postal code, city

Work e-mail *

E-mail address for correspondence

Contact e-mail *

Education - completed graduate studies

University *

University website *

Department *

Field of study *

Graduation year *

YYYY

Master's thesis title *

Name of degree *

Education - doctoral studies

University *

University website *

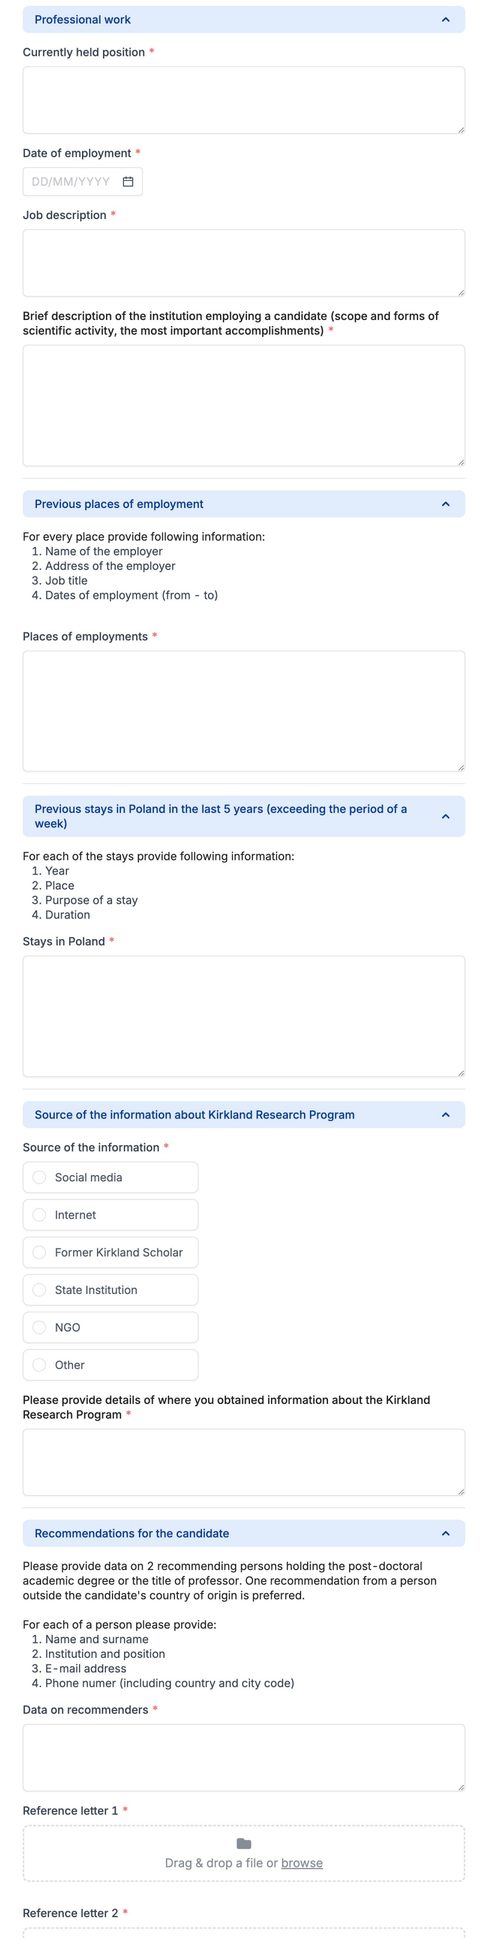
Year of the completion of doctoral studies *

YYYY

Doctoral thesis topic *

Datę of defense of the doctoral thesis *

MM/YYYY



Professional work

Currently held position *

Date of employment *

DD/MM/YYYY

Job description *

Brief description of the institution employing a candidate (scope and forms of scientific activity, the most important accomplishments) *

Previous places of employment

For every place provide following information:

1. Name of the employer
2. Address of the employer
3. Job title
4. Dates of employment (from - to)

Places of employments *

Previous stays in Poland in the last 5 years (exceeding the period of a week)

For each of the stays provide following information:

1. Year
2. Place
3. Purpose of a stay
4. Duration

Stays in Poland *

Source of the information about Kirkland Research Program

Source of the information *

○ Social media

○ Internet

○ Former Kirkland Scholar

○ State Institution

○ NGO

○ Other

Please provide details of where you obtained information about the Kirkland Research Program *

Recommendations for the candidate

Please provide data on 2 recommending persons holding the post-doctoral academic degree or the title of professor. One recommendation from a person outside the candidate's country of origin is preferred.

For each of a person please provide:

1. Name and surname
2. Institution and position
3. E-mail address
4. Phone numer (including country and city code)

Data on recommenders *

Reference letter 1 *

Section 3. Scholarships awarded in the last 5 years (max. 1,5 pts.)

dates, name and place of the scholarship

Scholarship (0,5 pkt.)

Scholarship (0,5 pkt.)

Scholarship (0,5 pkt.)

Section 4. Udział w konferencjach naukowych w ostatnich 3 latach (max. 1,5 pts.)

Conference (0,5 pts.)

Conference (0,5 pts.)

Conference (0,5 pts.)

Section 5. Institutions and universities with which candidate has worked in the last 5 years (max. 1 pts.)

Institution / university (0,5 pts.)

Institution / university (0,5 pts.)

Polish-American Freedom Foundation programs in which the candidate participated

Programs *
please indicate the dates of cooperation

Knowledge of foreign languages

Polish or English language proficiency of minimum B2 level is required

Polish *

- ○ don't know
- ○ can only read
- ○ can read and understand spoken language
- ○ average proficiency (can speak with some mistakes)
- ○ fluent

English *

- ○ don't know
- ○ can only read
- ○ can read and understand spoken language
- ○ average proficiency (can speak with some mistakes)
- ○ fluent

Knowledge of other foreign languages *

Cerificates held *

Project of stay together with the research plan (max. 60 pts.)

The project of stay is integral part of the application form and is the basis for the candidate's evaluation in Stage 2 of the selection. A detailed description of the project should count from 7500 to 12000 characters with spaces.

Section 1. Project abstract

Title of the project in Polish *

Title of the project in English *

Please provide the name or type of journal where the you would like to see the planned publication — max. 3 items *

Stay project abstract *

lengths from 2500 to 4000 characters with spaces. The abstract should include subject of the article, description of the planned research, methodology: including purpose of the research, research hypothesis, and research problem

Section 2. Complete substantive description (max. 40 pts.)

lengths from 7500 to 12000 characters with spaces, not counting bibliographies

Thematic scope of the scientific article (max. 5 pts.) *

from 2500 to 4000 characters with spaces, with an indication of research purpose, problem, and research hypothesis

Description of the subject of the planned research, its justification and scope (max. 15 pts.) *

from 2500 to 4000 characters (including spaces), indicating the existing state of knowledge and the gaps which the article will complement, relevance to scientific discipline, indication of novel features of the project

Methodology of research (max. 15 pts.) *

from 2500 to 4000 characters (including spaces), indicating the method and way of data acquisition, research tools, method of analysis and method of development of results

Bibliography (max. 5 pts.) *

with an indication of literature on the subject of the planned article

Planned article and schedule

Introduction to the planned scientific article (max. 5 pts) *

Drag & drop a file or browse

Working version of the scientific paper (so-called working paper) (max. 8 pts.) *

Drag & drop a file or browse

Proposed action schedule (max. 3 pts.) *

taking into account tasks and the expected duration of their implementation in weeks and months, as well as participation in conferences or study visits

Justification for participation in the Kirkland Research Program. Please indicate the candidate's specific expectations for participation in the scholarships (max. 2 pts.) *

max. 2000 characters with spaces taking into account the importance of scholarship for the advancement of the scientific career of the candidate, the institution in which she/he works or the country

Academic centre or academic unit proposed as a place to conduct research in Poland, together with justification (max. 1 pts.) *

(with an indication of a potential partner): Choice of: Krakow, Lublin, Wrocław, Warsaw

Plans related to the use of results of research carried out at the time of the scholarship (max. 1 pts.) *

max. 2000 characters with spaces
