English *

○ don't know
○ can only read
○ can read and understand spoken language
○ average proficiency (can speak with some mistakes)
○ fluent

Knowledge of other foreign languages *

Proposed Program plan

This project is an integral part of the application and will be the basis for the candidate's evaluation at the second stage of the selection process. The project should consist of 4000 to 6000 characters including spaces. You should organize your project considering the following points:

- Clearly define the main goals of the project.
- How is the project related to your previous work experience?
- Tell us why your project should be implemented?
- Describe the type of academic program you would like to undertake; indicate a most appropriate host school in Poland.
- What elements of Poland's experience do you wish to use in your project?
- Describe short and long-term plans for further realization of the project upon return to your home country.

Indicate the character of your diploma thesis *

○ academic / theoretical
○ practical to be applied in the specific field or organization (theoretical introduction will still be required)

Project title *

Project *

from 4000 to 6000 characters (including spaces)
